**Bickmore Distressed Conditioner** **NEW**

Bickmore Distressed Leather Conditioner is specially formulated to clean and condition all distressed leather. It is ideal for removing deep scuff marks, water spots, and dirt and oil stains. Use it on all of your favorite distressed leather goods to keep them soft and looking good! For extra protection and waterproofing apply our popular Bickmore Gard-More after using Bickmore Distressed Leather Conditioner.

DIRECTIONS:

Shake well before using. Ensure that leather is clean by brushing off any dirt or grime with a Bickmore Boot Brush. Always check for colorfastness in an inconspicuous spot before applying the conditioner to a large area. Rub conditioner evenly over the surface of your distressed leather. Allow the conditioner to absorb into the leather and repeat if needed. Do not use on suede, roughout or napped leathers.

PART #	NAME	SIZE	PER CASE	MSRP PRICE
10FPR165	Distressed	8 oz	12	\$10.99

**Bickmore Apache Creme Oil Restorer**

Apache Creme Oil Restorer is formulated to replace oils that have worn away over time. Ideal for Oil Tanned Leathers, Apache Leathers or Crazy Horse Leathers. Apache Creme Oil Restorer will even out the texture of the oiled leather and smooth out scuff marks.

DIRECTIONS Shake well before using. Always check for colorfastness in a hidden area before using. If the leather is dirty clean with Bickmore Saddle Soap and allow to dry. Boot should be clean, dry and at room temperature. Apply to the entire leather surface and rub well with a soft, clean cloth. Before wiping, allow a few minutes for the Apache Cream Oil Restorer to penetrate the boot surface then brush with a horsehair brush.

PART #	NAME	SIZE	PER CASE	MSRP PRICE

Bickmore Neatsfoot Oil

Bickmore's 100% Pure Neatsfoot Oil is the highest grade of neatsfoot oil available. It naturally repels water while softening, lubricating and moisturizing all types of leather. Bickmore's Neatsfoot Oil can be used for darkening light colored leather. It is an easy-to-use product. THIS PRODUCT DARKENS MOST LEATHER. Do not use on suede, nubuck, distressed or napped leathers.

Directions: Apply a light coat of oil to clean leather. Allow to penetrate. Wipe of any excess. Reapply as necessary.

PART #	NAME	SIZE	PER CASE	MSRP PRICE
10FPR127	Neatsfoot	32 oz	6	\$12.99
10FPR128	Neatsfoot	Gallon	4	\$35.99

Bickmore Bick 1 Leather Cleaner

Bickmore Leather Cleaner is an aggressive cleaner that is formulated to quickly remove surface dirt, grime, sweat and salt from smooth finished leathers. Bick 1 is safe on all properly tanned leathers and colors including white. Bick 1 is also great for whitening stitching.

Directions: Always check for colorfastness in a hidden area before using. Apply a small amount to a slightly damp textured cloth. Rub gently in a circular motion. Allow to dry. Repeat if necessary. For best results, ALWAYS follow up with Bick 4 Leather Conditioner or Bickmore Exotic to rehydrate leather. For brighting of stitching apply a small amount to a wet brush and gently scrub stitching.

Caution: Because Bick 1 Leather Cleaner is an Aggressive cleaner, some color pulling could occur so checking your leather in a hidden spot is a necessary step.

PART #	NAME	SIZE	PER CASE	MSRP PRICE
10FPR112	Bick 1	2 oz	24	\$3.99
10FPR110	Bick 1	8 oz	12	\$10.99

Bickmore Saddle Soap

Bickmore Saddle Soap is used for cleaning, conditioning and softening finished leather such as saddles and other horse tack.

Directions: Always check for colorfastness prior to using. Use a clean slightly damp napped cloth (not a sponge) and make a lather with the saddle soap (you may add a few drops of water to the saddle soap tin). Rub the cloth over the soiled areas. Remove excess with a damp cloth. Allow leather to dry. Always follow up with Bick 4 Leather Conditioner or Bickmore Exotic for optimal leather care. Gard-More can also be used after Saddle Soap and Conditioning for added water and stain protection. Do not use on suede, roughout or napped leathers.

PART #	NAME	SIZE	PER CASE	MSRP PRICE

Bickmore Gall Salve

Bickmore's Gall Salve has been a proven medication since 1892. It's the preferred treatment for any wound, cut, sore, or scrape a horse can get. As a multi-purpose, topical antiseptic ointment, it has a unique combination of emollients to soften, soothe, and lubricate damaged skin. It's unique formula will not rub or sweat off, thereby providing round the clock healing. We also recommend it for use on scratches as it allows the scab to be removed without pain and fights infection beneath the scab. The special combination of ingredients enables Gall Salve to be a safe and effective healing agent even while the horse is at work.

Directions: Treat affected area up to 4 times daily. Once scab falls off, continue use. Reapply lightly to keep water out and promote hair growth.

PART #	NAME	SIZE	PER CASE	MSRP PRICE

Bickmore Super H Powder

A general purpose antiseptic for cuts, burns, abrasions, proud flesh, and sores. For use on non-food animals only. Not for human use. WARNING: Clean all medication from the area to be treated before you apply Super H Antiseptic Powder. Protect from freezing.

Directions: As a Powder: Puff the powder directly on the wound to stop bleeding, promote healing, and reduce the risk of infection. As a Poultice: Add water slowly and mix to a smooth paste. Work poultice into inflamed area. Build up a layer 1/4"-1/2" thick. Wrap poultice with a moist gauze or paper then cover with stable bandages. Do not allow Super H to remain in place for more than 24 hours. Check bandages periodically to ensure they remain snug and moist. TO REMOVE: Remove all bandages and rinse with water until gone. Let area air dry completely. Repeat the above process as needed.

PART #	NAME	SIZE	PER CASE	MSRP PRICE
10FPM107	H Powder	4 oz	12	\$9.99

Bickmore Super H Medicated Poultice

SUPER H MEDICATED POULTICE is a ready-to-use medicated poultice blending natural ingredients to provide fast acting relief. It reduces swelling and heat from ankles, bucked shins and knees, providing relief from muscular aches and pains due to over-exertion and fatigue. It contains a humectant aiding in moisture retention and an emollient for skin conditioning. Super H Medicated Poultice is easier to remove than many other poultices. It rinses off without damaging newly healed tissue or skin. Super H Medicated Poultice continues the premium quality tradition that Bickmore customers have come to expect for over 120 years.

Directions: Clean all medication from the area to be treated before applying Super H Medicated Poultice. Poultice will work on wet or dry legs. (Wet hands for easier application). Work Super H Medicated Poultice into the hair of the inflamed or swollen area (ankles, knees or shins). Build up the poultice to 1/4"-1/2" thick. Wrap poultice with moist gauze or paper then cover with stable bandages. Do not let Super H Medicated Poultice remain in place for more than 24 hours. Check the bandages periodically to ensure that they remain snug and the poultice is moist. The drawing power of the poultice removes heat to aid in the reduction of swelling. TO REMOVE: Remove all bandages and rinse the covered area with water until the area is free of poultice. Let area air dry completely. Repeat the above process as needed.

PART #	NAME	SIZE	PER CASE	MSRP PRICE
10FPM109	Poultice	5 lb	6	\$19.99

Bickmore Mac Wipes

MacWipe Body Grooming Wipes are a must for any stable, show ring or on the trail use. Infused with a unique witch hazel based formula. MacWipes provide a gentle and pleasant grooming experience for your horse. MacWipes are especially useful for quick cleanings between workouts for just before competition. Strong enough for cool down grooming, yet gentle enough to apply around eyes, ears and muzzle. MacWipes are ideal for daily use. When used properly, MacWipes remove lather, dirt, and grime; leaving your horse's coat looking shiny and clean. MacWipes do not replace regular grooming.

Directions: Snap open lid, wipes are ready to use. Use in long sweeping motions to remove dirt, grime and lather. Dispose of used wipes in plastic bag or trash receptacle. Do not flush. To guarantee freshness, keep lid tightly closed when not in use. 1 Bucket contains 63 wipes measuring 10" x 18".
